

PORLAND

Reflecting the rich cultural elements of Turkey, Porland is an innovative ceramic company which was established in 1992.

Porland is proud of being positioned as a trend-setting brand. In-house designers create innovative concepts and original ideas, maintaining pattern and design understanding that porcelain culture conveys.

The brand brings life to porcelain with the meticulousness of an artist.

The stylish and original designs form the perfect combination of aesthetics and quality for all venues.

NEW RELEASE

Offsetting carbon footprint

Porland has created a 100% recycled porcelain, with great success.

The Re-Gen series is manufactured using only recycled production waste porcelain.

Tons of production broken pieces of kilned porcelain and misfits are being recycled back into become the Porland Re-Gen products.

Diameter 80mm

GRAZIA

With its fine design and high-quality production, Grazia creates a different style that is distinctive.

Combining comfort and aesthetics, the collection takes its beauty from its naturality. It is a natural choice for simple and elegant presentations with its nobility.

Made from Alumilite (aluminated porcelain) this unique product has the same surface

resistance as hard porcelain with the creamy colour of soft porcelain. It has been designed to be suitable for all kinds of usage.

With its solidified structure, transparency, high mechanical and surface strength and creamy colour of soft-paste porcelain, Alumilite is the ideal choice when manufacturing a durable and aesthetic product.
